1. प्रथम चरण का परियोजना कार्य फाइल पेपर में करना है।  
3—3 स्त्रीलिंग, पुल्लिंग एवं नपुंसकलिंग शब्दों के चित्र चिपकाकर संस्कृत में वाक्य बनाइए।
2. कापी में कराया गया सभी कार्य याद करना है।
3. समस्त कराए गए रूपों का लिखकर अभ्यास करो।

## **HOLIDAY HOME WORK**

### **CLASS – 6**

#### **English**

**Do chapter 3,4,5 Comprehension chapter 13,14 in the grammar book.**

**Revise all that has been done in the months of april and may.**

#### **Maths:**

**Make a sieve of eratostheses . Write the important facts of prime number in class work. Copy. Learn tables till 20. Practice the chapter done in your practice copy.**

#### **Bio – chem**

**Write about “ Mid day meal Programme” in our country .**

**Write up must include the aim, diet included in it and at least 5 places where it is going on.**

**Read the chapter of UT1 thoroughly.**

#### **Physics:-**

**Describe different kinds of motion with the help of examples and pictures.**

#### **हिन्दी**

1. कक्षा में कराए गए समस्त पाठों के शब्दार्थ एवं प्रश्नों के उत्तर लिखकर याद करो।
2. पर्यायवाची शब्द, विलोम शब्द, वाक्यांश के लिए एक शब्द लिखकर याद करो।
3. राम कथा के प्रश्नों को याद करो।

#### **संस्कृत**

1. कक्षा में कराए गए समस्त पाठों के शब्दार्थ, अभ्यास कार्य, प्रश्नोत्तर का लिखकर अभ्यास करो।
2. कक्षा में कराए गए शब्द रूप, धातु रूप, सर्वनाम के रूप, कारक के चिह्न को लिखकर याद करो।

**Computer:-**

**In your C. W. copy, draw the flowchart for the problems, given on page no 95 of your text book.**

**SST.**

**Geography – During summer vacations visit a planetarium and describe your experience on a file paper ( give in a folder)**

**History – Read LS1 and learn the question answer**

**Civics :- Read and learn LS1 of civics . Learn the question / answer.**

## HOLIDAY HOMEWORK

Class – 7

हिन्दी

1. पर्यायवाची, विलोम वाक्यांश के लिए एक शब्द व्याकरण कॉपी में लिखें एवं याद करें।

### ENGLISH-

Grammar – chapter-

Vocabulary, idioms & phrases

MATHS –

Solve chapter assessment of Integers & Fraction,

Practice the work done.

SCIENCE –

Physics - Record the normal body temperature of 5 people and find its average. Also draw and label clinical thermometer.

Biology/Chemistry –

Write the activities 6.5, 6.7 8 , 6.8 from chapter 6 in your classwork copy along with diagrams & equations.

S. Studies –

Prepare a

Showing the three

Concentric layer of the earth.

Note – students can use colorful clay or thermocol.

**HISTORY/CIV.** – Learn chap 1 and read chap 1 & 2.**COMPUTER -**

Create animation on solar system. Use software like Tupi/Flash/PPT.

## CLASS VIII

### ENGLISH –

En. Grammar – Chapter no.- 25, 26, 27, & 28 to do in the book.

#### हिन्दी

1. विलोम, पर्याय, वाक्यांश के लिए एक शब्द, मुहावरे, अनेकार्थी आदि याद करना।
2. मेघा के पाठों के प्रश्नोत्तर याद करना।

3. Anthers of angiosperm flower are described as dithecal.
4. Hybrid seeds have to be produced year after year.
5. Discuss micro propagation in detail. Discuss its advantages.

Physics ( To be done in Activity file)

1. Discuss the following cells under the given heads.  
1 Leclanche 2 Daniel 3) Lead Acid 4) Button cells heads i) Type ii) Electrodes iii) Electrolyte iv) Reactions v) Defects suffered & how they are overcome.
2. Discuss the following diodes under following heads i) Zener ii) LED iii) Photodiode iv) Solar cell. Heads i) Symbol ii) Biasing iii) characteristics iv) Special design feature.
3. Discuss the following electrical components (a), (v), (g), R.B. Rheostat.

Math's:-

1. To make a list of all the formulae studied till now during class XI & XII
2. To do the exercises of the chapters taught in class XII till now, from one of the Reference book.

3. To draw the graph of trigonometric function & inverse trig. Function with their corresponding domain & range.

### Economics

1. Complete all the chapter covered in class with notes , question and answer value based question, Numerical etc. in Micro Eco.
2. To make a project in economics of the topics undertake by students with Introduction , brief write up about . Company , survey, presenting it through source diagrams problem and solution.
3. In Macro Eco learn unit Money and banking.

### Chemistry

1. Revise the nomenclature and the differently concepts of organic chemistry studied in 11.
2. Make short notes on chemistry in Everyday life in your class work copy.
3. Revise the units studied till now in 12 standard.

### Accountancy

To make a comprehensive question of accounts for project work. Showing the details.

1. Journal entries.
2. Ledger
3. Trial Balance
4. Final Accountants - Trading A/c P & C Balance sheet

To study &

Practice the question the chapters taught in the class

1. Fundamental of Partnership.
2. Admission of a Partner

### Business Studies

I To conduct the survey on the topic undertaken by the student for project work.

Detail to be done & submitted are

1. Introduction of the topic .
2. Questionnaire to be developed & survey conducted.

II Revise all the topics taught in the class.

Legal studies.

To revise the unit I and unit II . Read the remaining units.
