## **CLASS XI**

## SESSION-2021-22

## **ECONOMICS**

| MONTH                   | ВООК                                    | CHAPTERS                                |
|-------------------------|---|---|
| May/June/July           | Microeconomics                          | 1) Central Problems Of                  |
|                         |   | an Economy                              |
|                         |   | 2) Consumer's                           |
|                         |   | Equilibrium                             |
|                         |   | 3) Theory Of Demand                     |
|                         |   | 4) Elasticity Of Demand                 |
|                         | Statistics For Economics                | 1) Introduction to                      |
|                         |   | Statistics                              |
| August                  | Statistics For Economics                | 2) Collection Of Data                   |
|                         |   | 3) Methods Of Collection                |
|                         |   | of Data                                 |
| LINIT TEST 4            | MICDOCCONORAICS                         | CHAPTERS 1-4                            |
| UNIT TEST-1             | MICROECONOMICS STATISTICS FOR ECONOMICS | CHAPTERS 1-4 CHAPTERS 1-3               |
|                         | STATISTICS FOR ECONOMICS                | CHAPTERS1-3                             |
|                         |   |   |
| September               | Microeconomics                          | 5) Supply and Elasticity                |
|                         |   | Of Supply                               |
|                         |   | 6) Concept Of Cost                      |
|                         |   | 7) Concept Of Revenue                   |
|                         | Statistics For Economics                | 4) Organisation Of Data                 |
|                         |   | 5) Presentation Of Data                 |
|                         |   | 6) Mean, Median and                     |
|                         |   | Mode                                    |
|                         |   | 7) Measure Of Dispersion                |
|                         |   | <ul><li>– (Mean Deviation and</li></ul> |
|                         |   | Quartile Deviation)                     |
| HALF YEARLY EXAMINATION | MICROECONOMICS                          | CHAPTERS 1-7                            |
|                         | STATISTICS FOR ECONOMICS                | CHAPTERS 1-7                            |
| October                 | Statistics For Economics                | 8) Diagrammatic and                     |
|                         |   | Graphic Presentation                    |
|                         |   | Of Data                                 |
|                         | Microeconomics                          | 8) Producer's Equilibrium               |
| November                | Microeconomics                          | 9) Forms Of Market                      |
|                         | Statistics For Economics                | 9) Correlation                          |
| December                | Microeconomics                          | 10) Price Determination                 |

|                        |                          | under perfect    |
|------------------------|--------------------------|------------------|
|                        |                          | Competition      |
|                        | Statistics for Economics | Correlation      |
|                        |                          |                  |
| UNIT TEST-2            | MICROECONOMICS           | CHAPTERS 8 & 9   |
|                        | STATISTICS FOR ECONOMICS | CHAPTERS 8 & 9   |
|                        |                          |                  |
| January & February     | Revision & Project Work  | 10) Index Number |
| FINAL TERM EXAMINATION | MICRO AND STATISTICS     | FULL SYLLABUS    |
|                        |                          |                  |
|                        |                          |                  |
